

PY Easter News

Our trip to visit Camera Obscura was followed by lunch in town and to stop for some posing photo shots with the Castle behind!

Rachel Bliss from Dogs Trust came along to talk to us about Dog Safety. All the children learned how to be kind to animals and when to approach them. Everyone received a certificate for joining in and being kind.

We had over 20 outings and activities over the 2 week holidays with nearly 200 children and young people attending. We all had a great time, thanks to Mr Weather for being kind to us!

We had an at Adventure Island in Dunfermline for some crazy, crazy golf.

For the first time at PYCP we went on an outing to Museum of Flight in East Fortune. The weather was warm and sunny and we had a picnic at lunch time. We all enjoyed jumping on and off the planes. Some children in our group had never been on a plane before, this was extra special for them.

We thought the highlight of our trip would be going on Concorde but it was going to the classroom and making parachutes out of bin bags that seemed to get the most enjoyment!

We were there most of the day and reluctantly left just before rush hour to get home. It's a trip that will be remembered for a while and some of the boys and girls are now wanting to be pilots when they grow up.

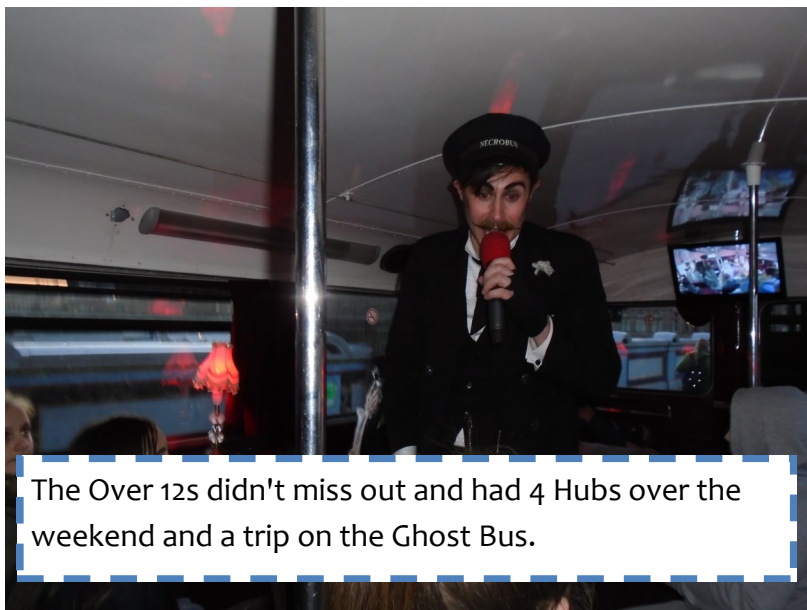

North Edinburgh Archers came along for 2 sessions. The P1 - P7s had a great time learning to fire arrows at targets in the gym hall and shooting balloons. All the children received a Maid Marion or Robin Hood certificate to show how well they had done.

We had a big trip to East Links Family Park, as always a firm favourite with children and staff alike.

We had a picnic and the weather remained dry which meant the children got to go on the go carts, parks and train without getting soaking (like last Summer!)

We'll be back!

The Over 12s didn't miss out and had 4 Hubs over the weekend and a trip on the Ghost Bus.

Our finale was a Big Reward Treat for all the children and young people who have attended the clubs since the start of the new year. We had a bouncy castle, soak (and throw jelly) at the worker (this proved to be very popular). There was a DJ and a disco, balloon modelling and special lunch as well.

May to June 2015

Monday

3.30 pm - 4.30 pm
Story Club (P1 - P2)

6.00 pm - 9.00 pm
6 till 9 Group
S1 - S2
(Closed Group)

Tuesday

10.30 am - 12.30 pm
